Stuck for a Christmas gift this year? Why not treat someone to a fantastic meal out and give a Fox & Hounds gift voucher which we can make for any amount you choose.

Special Diets

We know how difficult it can be to find a menu that caters for everyone in your party but there's no reason why everyone shouldn't enjoy a fantastic meal regardless of any special diet they may be following. Our chefs are very experienced at adapting our dishes for all kinds of special diets and because all our food is made from scratch on the premises it is very easy to make a tweak here and there. We will be very happy to work with you or any guests in your party to ensure we can meet any of your requirements.
